

Moira Apple Of My Eye Palette – Vivid Colors That Captivate

Well, being a makeup artist or woman, what do you think? What's the most challenging area to illuminate during makeup? Probably eyes. For a day event, people usually go with dark or smoky shades based on their eye color. Whether it's a night or day, casual function, or funky one, a perfect eye shadow palette is needed. Be the apple of anyone's eye with our [Moira Apple of My Eye Palette](#).

Moira took the initiative to present empowered-evolving women who feel proud of their unique features and style. This colorful yet simple makeup enhancer is invented to awaken the inner beauty of a woman that already exists within.

Our palette contains all the vivid colors to add glam to your outlook. We are inspired by the colors of an apple tree. That's why we incorporate all of the apple tree colors to help you with the overall makeover. The palette features a wide range of colors, including pink, green, and shimmers, to offer an ideal look for any occasion.

Add some spice to your photography and shooting by doing aesthetic eye makeup with our gorgeous eye palette. Do your eyes look tired from not having enough sleep at night? Don't worry. Give a chance to our fun palette colors to bring radiant and energy to your life.

Or have fun with your daughter by picking up our fresh shades. Blend them with the shimmery shade for acquiring a booming and fancy appearance.

Our exquisite formula is free from sulfates, phthalates, parabens, gluten, and animal cruelty.
