

The Bottle Top Flyer Toy-Your Dog's New Best friend

Dogs are super adorable, loyal, and friendly, but they can destroy your favorite Tupperware caps and bowl caps. They love to play with them. These caps can badly harm your dogs.

So why don't you buy a durable and veterinarian-approved flyer toy? Your dog will absolutely love the toy. You will be able to save money on your Tupperware, and you won't have to worry about your pet's health anymore.

Incredible Features

Let's take a look at all the incredible features of this [bottle top flyer toy](#).

- **Remarkable Material**

The toy is made with high-quality biodegradable, a non-toxic material that is absolutely safe for your dog. The toy's material is also approved by veterinarians and falls under the safety standard.

- **Easy To Clean**

This is one of the best features of this toy because when your dog plays with a toy, it gets extremely dirty and can be hard to clean. However, this flyer toy is dishwasher safe and can be easily cleaned.

- **Dual Purpose**

The bottle top flyer toy is a dual purpose. It can also be used as a water bowl for your thirsty dogs. You just have to flip the toy and pour the water into the bowl.

- **Attractive Color**

It is important to choose a suitable colored toy for your dog. A dull-colored toy will never attract your dog, and you will end up wasting all your money. That is

precisely why this toy is available in a bright orange color that will spark your dog's interest right away.

This amazing toy is available for only \$26.99.
