

Gift your Pet Buddy a Castle Cat Scratcher House

Animals are part of the family, so how can we overlook them on happy occasions? Right? To make your cat feel special, we have brought a valuable gadget that you need to consider to give your cat and make its day. Our [Castle Cat Scratcher House](#) is a dreamy place for cats that features fascinating things. Hanging and royal toys will keep your fluffy buddy occupied all day.

This castle is designed to fit every room regardless of its size. This cat scratcher measures approximately 20" in height and 16" in width and 13" in depth. It means you can carry it to every other room with you.

The cat's palace comes with a removable scratchpad, a mouse toy, and a small bag of catnip. You can get the toys out for cleaning and maintain a high hygiene level. The door's opening is approximately 11 inches tall and 8 inches wide, making it ideal for the cat to enter and come out, and even you can quickly get the toys out.

You will also love this cat house as it does not require more than a few minutes from your busy life to set up. Assemble the house yourself without asking for help and special tools. Moreover, the corrugated cardboard construction carries the perfect texture that cats prefer to sink their claws into. Moreover, apply the catnips to entice your cat and save furniture from scratches.

The sustainable cardboard construction with a solid base is durable and endures every mood of your pet. Get your cat a castle and keep it occupied and enjoy your quality time for working and enjoying TV shows.
