

# Dreaming of fine luxury and tropical paradise?

## Punta Mita awaits!

Heavenly and idyllic, this private peninsula of the Mexican state Nayarit offers total paradise atop 1,500 acres of the Northern Banderas Bay. Characterized by a gated, ultra-luxurious community of multi-million dollar homes, prime real estate, world-famous golf courses, and adventure-hungry travelers, this city holds the setting for a getaway you won't forget.

Temperatures in this dreamy paradise average around 85 °F (29 °C) in the summer months and 75 °F (24 °C) in the winter, making Punta Mita the ideal luxury travel destination. Archeological evidence suggests human settlement in the Nayarit state dating as far back as around 800 AD.

The name **Punta Mita** can be attributed to the Aztec word for “mictlan”, meaning “gateway to paradise.”
