

Spic Span Car Cleaning At Your Home - Telescopic Microfiber Mop

Taking a few hours from a tightly-packed schedule to visit the car cleaning service can seem like a far-fetched idea. Don't let your busy life come in the way of a shiny clean vehicle by having all the cleaning supplies within reach. All you need is the [Telescopic Microfiber Mop](#) to tackle all sorts of dirt stains and leave your car with a glossy shine every time.

An All-Rounder, All-Purpose Star

This unique cleaning tool has no trouble going into tough spots and hard-to-reach areas to provide the deep cleaning you desire. This mop will be your best companion, from tackling unwanted gunk on your car to providing a helping hand in indoor cleaning chores. With the right tool by your side, you can minimize time on cleaning and make the task less of a headache.

Adjustability and Rotation on Demand

The mop glides smoothly on any surface to pick up grime and debris in every nook and cranny. With 90 degrees rotation capabilities, the long handle is a perfect fit for everyone. Moreover, its wide range of height selections can come in handy in many circumstances. Users can go up and down to 23 inches, 34.3 inches, or 46.5 inches according to their needs. Just extend the handle to your desired height and lock it in place.

Sturdy Handle with a Comfortable Grip

You can rest assured that the all-aluminum handle won't break easily under pressure. For your comfort, it features plush foam that provides comfort but a firm grip. The 600-root microfiber material of the mop guarantees squeaky-clean surfaces after use.
