Enjoy the Delightful Weather

Visiting Italy is a wonderful experience, but the weather regularly climbing above 30 degrees in the summer is oppressive for most. However, the weather in the spring is often much more comfortable at around 20 degrees Celsius during the day. This allows you to get out and explore this simply iconic region – without having to worry about passing out from heat exhaustion half-way around.

Visit Sorrento

A trip to Sorrento is a must while visiting the Amalfi Coast! It's a quaint, charming, and truly picturesque town that is hard not to love, and the breathtaking architecture alone makes it well worth a visit.

Experience Amalfi Coast Festivals

Did you know that numerous stunning festivals are held across the Amalfi Coast, and in the spring, perhaps the most iconic is Holy Week. The largest of these festivals is often held in Sorrento, so it may be worth planning your trip accordingly to avoid missing out!

Discover the Path of the Gods

Walking the Path of the Gods is an iconic and breathtaking route – and since it's not too hot in the spring, you'll genuinely enjoy this gorgeous trail's unique scenery and aesthetics. Fortunately, the Path of the Gods is also fully signposted, so you won't have to worry about wandering off course or getting lost!
