## Features of Girl Face Kids' T-Shirt

Here are some appreciable features of Girl Face Kids' T-Shirt:

### Design

If you want a kid to look stylish, you won't regret getting this T-shirt. It is no ordinary piece of clothing. It has a crew neck and short sleeves, offering a retail fit for the clothing that is perfect with the size.

### Material

It does not hold back when it comes to material. The Airlume is clean combed and ring-spun for the sake of texture. This shirt is made of pure Airlume. Its heather blend color is made of 52% Airlume cotton and 48% polyester.

### Environment friendly

It is an ideal product for environmental enthusiasts. This cartoon kid's shirt is made of 7 times less water than other manufacturers to keep it recyclable. It also ensures sweatshop conditions.

### Color

As the name indicates, it has vibrant colors, but best for all sorts of events. The girl face kids shirt is a perfect basic that kids may demand in different colors. These short sleeves are the go-to fabric for any event, from casual school days to active days while playing football or cricket.
