Whether you are hosting a party or arranging a casual dinner with friends, this soft and high-quality neoprene sleeve will protect your glass from accidental breakage.

Features of Flower Print Wine Glass Sleeve

This cute and sweet wine glass sleeve is a conversation starter. Let's explore its other qualities:

Excellent for All-Occasion

No matter which occasion and sort of party you arrange, the wine glass sleeve will make up the mood and environment with its cute design. It is not only aesthetically pleasing but also maintains the beverage's temperature in the wine glass.

High-quality Material

This beautiful glass sleeve is made of high-quality neoprene material that keeps the wine glass insulated while you enjoy the drink. The firm stitches and soft material make it easy and comfortable to hold the glass.

Provide Protection to Glass

Now you do not need to be afraid to hand your favorite glass to anyone else. This soft and reliable wine glass sleeve protects the glass from accidental fall as long as it is not harsh and intentional. The sleeve is stretchable and washable, so you do not need to worry about hygiene.

Perfect Size

The glass sleeve measures 3.5 x 4.5 inches making it suitable for an average-sized wine glass. Add this wine glass sleeve to any party supply and keep the temperature stable to enjoy any drink leisurely.
