If you are looking to decorate your room, you will notice that there is a plethora of options that you can go with, but most of them are either too expensive or are not worth it.

Even simple lamps and side tables are worth hundreds of dollars. If you want something under a budget that adds style to your living space, opt for this [American Astronaut Sequin Pillow Case](#) and decorate your home at a fraction of the cost.

## Decorative

Measuring a suitable 16\*16 inches, this American Astronaut Sequin Pillow Case can be used to decorate all kinds of places like bedrooms, cars, and lounges. You can set them along sofas or put them individually on chairs.

Both sides of this American Astronaut Sequin Pillow Case are different as one side features soft velvet suede cloth with an astronaut, and the other side is covered with sparkling suede cloth that reflects when light hits it.

## Great Present

Apart from decoration, you can also use this American Astronaut Sequin Pillow Case as a gift as the soft cloth is quite comfortable, and the other shiny side is quite attractive to kids as when it reflects on the roof, it looks like night stars.

## Smooth Zipper

When people buy pillows and pillow covers, they complain about failing pillow zippers or that they don't look good hanging out. With these American Astronaut Sequin Pillow Cases, all of your complaints will be solved as their zipped is made out of good quality materials and is also well hidden to maintain that smooth look.
