

# Peek-a-Boo Bear Toy – A Warm and Soft Companion to Play With

Your little one's collection of toys is not complete without this cuddly Peek-a-Boo Bear Toy. This adorable teddy bear is unlike any other that your kid owns. It will keep your baby engaged in prolonged playtime as it moves and talks. It's impossible for a child to get tired of this interactive companion. Parents can blindly trust this toy to keep their kid company while they tend to chores and other important tasks.

## A Bear Full of Life

The [Peek-a-Boo Bear Toy](#) will be your child's best companion throughout the day. It recites six different phrases to communicate with the baby. Moreover, white fabric is attached to its hands that move up and down for a joyful peek-a-boo game. With its super soft plush material and moveable mouth, your child will have a realistic, huggable, cuddly buddy they can cherish forever.

## Product Specifications

The Peek-a-Boo Bear is tall and measures 30 cm (11.8") in length. It is the perfect lifelike companion to snuggle with. To make it come to life, you must insert three AAA batteries included in every purchase. This adorable plaything is made of baby-friendly and high-quality polyester and features a super-soft satin blanket attached to its paws.

## Easily Cleanable

This innovative bear requires bath time, just like any other stuffed animal. Unfortunately, machine washing is strictly not recommended, so steer clear of it. Simply stroke it using a cloth, water, and soap to clean it. Always remember to be careful around the toy's battery compartment. Once done, let the teddy air dry.
