## Features of Painting Makeup Bag

Here is everything you may need to know about this portable makeup bag:

### High-Quality Material

This cute painting makeup bag is made of 100% cotton canvas which is equipped with high-quality metal gold zippers. The canvas material makes it easy to clean and protects things inside from getting wet. For extra care, spot-clean the bag.

### Portable

The adequately sized bag is eligible to carry in a suitcase or handbag. You can put every makeup essential that you might need on the way and carry it with you wherever you go. This bag is specially designed for traveling.

### Versatile

Colorful makeup bag works as more than just a makeup bag. It can also be utilized to store other things, such as electronic accessories, phones, pencils, and other minimal things that easily get lost in the bag.

This painting bag comes in only one size, but ideal for holding all important products. If you want to store credentials and travel documents, this bag will help you organize the papers on the way in the great hustle.
