

Baby Jersey Awesome Big Brother Onesie – Comfortable Wear For The Babies

This adorable and highly fun Big Brother onesie is the perfect way to welcome your little child to the world! This sleeper in the shape of an infant bodysuit is made of cotton, making it soft and comfy against your baby's skin.

It also features a useful pocket. You will fall in love with its adaptability and the fact that it is equipped with Airlume Technology, which is harmless for infants, parents, and the environment.

Babies aged 3 months to 24 months can benefit from our flexible fit's ability to create a comfortable wear fit.

The Airlume Distinction In Addition To Its Make-Up

Combed and ring-spun, the cotton used in Airlume clean products has unparalleled texture and feel. The solid colors are constructed entirely from Airlume cotton, while the Heather colors are constructed using 52% Airlume cotton and 48% poly.

Designed With Awareness And Meticulous Attention To Detail

[I'm the Big Brother Onesie](#) is passionately manufactured using seven times less water than the industry standard, in facilities that are friendly to recycling and that guarantee there are no sweatshop conditions present.

Appropriate For Every Person

This Funny Family Onesie is unlike any other article of clothing you own. It has an envelope neckline that allows for flexible fitting and a continual closure that allows for easy diaper changes.
