

Experience the Splendour of Turks & Caicos Vacation Villas

Visiting Turks & Caicos is a great way to get away and enjoy some sun, sand, and surf. Here are a few things you need to know before you visit.

Weather: The Turks & Caicos are generally warm and sunny all year round with temperatures of 25-30°C (77-86°F). Winters tend to be warm and dry, while summers are more humid and hotter.

Language: English is the official language in the Turks & Caicos, but you'll also hear the local Creole spoken.

Currency: The official currency is the US dollar, although some places also accept the British pound and the Euro.

Private Transfer: Private Transfers and Taxis are widely available throughout the islands. It's best to negotiate the fare in advance as prices are not regulated and can be very high.

Rental Cars: You can also rent a car on the islands. Be sure to carry your driver's license, and don't forget that they drive on the left side of the road here!

Accommodations: Of course the most important part of any trip is where you stay. If you're coming to Turks & Caicos, don't skimp on accommodations. Make it a trip you'll remember forever by staying at one of the villas selected by [Haute Retreats](#)
